Article number:	101	Country of origin:	CZ
		Customs tariff number:	82052000

- Powerful hammering with surface protection
- Soft-face hammers with hammer head out of nylon
- Suitable for sheet metal and renovation work as well as for tent, hall and fair booth construction jobs
- Inseparable and secure connection between the hammer handle and head
- High-quality ashwood handle

Wera soft-face hammers. Double-sided conical design for a secure, inseparable connection between the hammer handle and head. The hammer head is made out of nylon; the handle out of high quality ash wood. Diverse applications thanks to the interchangeable soft-face hammer heads. Suitable for sheet metal and renovation work as well as for tent, hall and fair booth construction jobs.
