

Zyklop Hybrid Set, 2 pieces

The Zyklop Hybrid Ratchet, 1/2"

EAN:	4013288184320	Size:	305x115x45 mm
Part number:	05004095001	Weight:	967 g
Article number:	Zyklop Hybrid Set	Country of origin:	CZ
		Customs tariff number:	82041100

- Zyklop Hybrid ratchet with long overall length (leverage effect) and slim ratchet head
- Fine-pitched with 72 teeth for a return angle of only 5°
- Extension with unlocking pin

Zyklop Hybrid ratchet set, 1/2" drive, metric. Including Zyklop Hybrid ratchet and Hybrid handle extension.

The Zyklop Hybrid Ratchet

We wanted to integrate all the mostly-desired ratchet advantages in a single tool. Our idea was to develop a light ratchet with an ergonomic handle, slim design, long lever and an extension option. Since the term "hybrid" refers to a combination from various sectors, it was quite easy to decide on the name.

Combines robustness, slim design, and little weight.

Low return angle

The reversible ratchet with 72 fine-pitched teeth has a low return angle of only 5°. This short stroke allows fast and precise work in all types of installation.

Ball lock

The ball lock ensures sockets and accessories fit securely, providing increased safety during operation. A short press on the release button allows the tool to be changed quickly.
