

EAN:	4013288210104	Size:	230x85x60 mm
Part number:	05004580001	Weight:	974 g
Article number:	Belt C Impaktor 1	Country of origin:	TW
		Customs tariff number:	82042000

- 9-piece socket set on robust textile belt 1/2"
- Smooth rotary mechanism for a secure hold and easy access of the tools
- Particularly suitable for use with customary impact drivers
- With Take it easy tool finder: colour coding by size
- Suitable for attachment to a wall, shelf, tool trolley and to the Wera 2go System

Robust textile belt in the typical Wera design with nine Impaktor socket wrench plug-ins for missions in confined spaces. A smooth Twist to Unlock mechanism ensures a secure fit and simple removal of the sockets. Including snap hook for attachment on belt loops or bags. With fleece backing and hook-and-loop fastener strips for easy attachment e.g. on wall, shelf, workshop trolley and Wera 2go tool transport system. Impaktor sockets for use with electric or pneumatic powered impact wrenches with 12.5mm = 1/2" drive. Impaktor technology ensures above-average service life, even under extreme conditions. With Take it easy tool finder with colour coding by size - for easy and fast location of the required tool. With hexagonal profile and grooved socket. The hexagon profile allows the transmission of high forces and puts less strain on the edges of bolts or screw heads than a double hexagon profile. For external hexagonal bolts and sockets.

Wera Belts

Whoever would have thought that the storage of sockets could be completely revolutionised and that someone could come up with a stylish belt with securely attached sockets that can still be easily removed.

For electric or pneumatic wrenches

The Impaktor technology ensures above-average service life of the Impaktor socket wrench plug-ins even under extreme conditions.

Profile-friendly power transmission

The hexagon profile offers the transmission of high forces and loads the edges of the bolt or the screw head less than a double hexagon profile. Fine-toothed ratchets also make use of a double hexagon profile superfluous, even in confined spaces, thanks to their small return angle.

Secure hold and easy removal

The all new smooth turning mechanism guarantees both secure and rattle-free storage, yet allows easy removal of the tool.

Practical nonwoven strips

The textile belt can be attached by means of the nonwoven reverse side and the hook-and-loop strips e.g. to a wall, shelf, tool trolley and to the Wera 2go tool transport system.

Comes with convenient snap hook

The robust textile belt can be secured to a belt loop or pocket by means of the snap hook.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklus bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklus sockets and Zyklus bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklus bit sockets).

Belt C Impaktor 1 socket set, 1/2" drive, 10 pieces

Set contents:

8790 C Impaktor socket with 1/2" drive, 13 x 38 mm

05004570001	1x	13 x 38 mm
05004571001	1x	14 x 38 mm
05004572001	1x	15 x 38 mm
05004573001	1x	16 x 38 mm
05004574001	1x	17 x 38 mm
05004575001	1x	18 x 38 mm
05004576001	1x	19 x 38 mm
05004577001	1x	20 x 38 mm
05004578001	1x	21 x 38 mm

Belt C (textile belt), 6 location, unloaded, 71 x 210 mm

1x 71 x 210 mm

Hook and Loop Fastener Strips 30, 30 x 200 mm

1x 30 x 200 mm
