

EAN:	4013288236524	Size:	56x18x18 mm
Part number:	05024690001	Weight:	40 g
Article number:	781 A/B VDE	Country of origin:	CZ
		Customs tariff number:	82079030

- Connector from 1/4" square head socket to 3/8" external square head
- Individually tested tools as per IEC 60900 at 10,000 V for safe working up to 1,000 volt
- Increased safety thanks to 2-component insulation with a yellow insulation core under an outer red insulation layer
- Plastic coating protects surfaces from damage

Connector from 1/4" square head socket to 3/8" external square head, with increased safety thanks to the yellow insulation core, which becomes visible if the outer red VDE insulation layer is damaged. Individually tested tool as per IEC 60900 at 10,000 V for safe working at the approved voltage of 1,000 V.

1/4" to 3/8" connection part

Individually tested

Increased safety

Insulated connectors from square head socket to external square head

The insulated 781 A/B connector adapts from 1/4" square head socket to 3/8" external square head.

The individual testing at 10,000 volts, in accordance with IEC 60900, ensures safe working with loads up to 1,000 volts.

The insulated Zyklop VDE connectors offer increased safety thanks to their 2-component insulation with a yellow insulation core under an outer red insulation layer. The yellow insulation core becomes visible if the outer red VDE insulation layer is damaged. The plastic sleeve protects surfaces from damage.

The insulated connectors adapt from square head socket to external square head: 781 A/B from 1/4" square head socket to 3/8" external square head and 781 B/A from 3/8" square head socket to 1/4" external square head.
