

EAN:	4013288236531	Size:	66x23x23 mm
Part number:	05024692001	Weight:	50 g
Article number:	781 B/A VDE	Country of origin:	CZ
		Customs tariff number:	82079030

- Connector from 3/8" square head socket to 1/4" external square head
- Individually tested tools as per IEC 60900 at 10,000 V for safe working up to 1,000 volt
- Increased safety thanks to 2-component insulation with a yellow insulation core under an outer red insulation layer
- Plastic coating protects surfaces from damage

Connector from 3/8" square head socket to 1/4" external square head. With increased safety thanks to the yellow insulation core, which becomes visible if the outer red VDE insulation layer is damaged. Individually tested tool as per IEC 60900 at 10,000 V for safe working at the approved voltage of 1,000 V.

Connector 3/8" to 1/4"

Individually tested

Increased safety

The insulated 781 B/A connector adapts from 3/8" square head socket to 1/4" external square head.

The individual testing at 10,000 volts, in accordance with IEC 60900, ensures safe working with loads up to 1,000 volts.

The insulated Zyklus VDE connectors offer increased safety thanks to their 2-component insulation with a yellow insulation core under an outer red insulation layer. The yellow insulation core becomes visible if the outer red VDE insulation layer is damaged. The plastic sleeve protects surfaces from damage.
