

1567 TORX® HF ESD Kraftform Micro screwdriver with holding function for TORX® screws, TX 4 x 40 mm
ESD Series

EAN:	4013288183972	Size:	157x13x13 mm
Part number:	05030400001	Weight:	12 g
Article number:	1567 TORX® HF ESD Micro	Country of origin:	CZ
		Customs tariff number:	82054000

- Kraftform Micro screwdriver for TORX® screws
- ESD-safe tool thanks to surface resistance of $\leq 10^{9\Omega}$
- Multi-component Kraftform Micro handle for fast and ergonomic screwdriving
- Holding function for TORX® screws
- Take it easy tool finder: colour coding according to profile and size
- The Wera Black Point tip offers an exact fit and optimum corrosion protection

ESD-safe Micro screwdriver. Dependable protection against electrostatic energy and associated damage. Holding function: the wedging forces resulting from the contact pressure between the drive tip and the screw profile securely hold the screw on the tool. Rapid twisting results from fixing the hand on the head and using the fast-turning zone just below. This makes time-consuming grip adjustments unnecessary. Power zones with integrated soft sections ensure the transfer of high loosening and tightening torque; a precision zone for the right rotation angle during fine adjustment work. The Black Point tip offers optimised corrosion protection and an exact fit. "Take it easy" tool finder with colour coding according to profiles and size stamp - for simple and rapid accessing of the required tool.
