Kraftform Comfort Handle

The ergonomic introduction to convenient screwdriving. Handle with Kraftform geometry and blade made from power bit material with Black Point tip for precise fit.

The multi-component Kraftform handle for quick and low-fatigue working.

Identification marking

The screw profile and tip size identification markings on the handle make it easier to find the right screwdriver in the tool case, or at the workplace.

Non-roll feature

The hexagonal non-roll feature prevents any rolling away at the workplace.

Longer product service life

The bit material used for manufacturing is subjected to a specific Wera hardening process, and this ensures longer product service life.

Wera Black Point tip

The Wera Black Point tip and a refined hardening process ensure long service life of the tip, improved corrosion protection and an exact fit.
