- Insulated Kraftform Comfort VDE blades for safe working up to 1,000 volts
- Multi-component Kraftform handle for fast and low-fatigue working
- Handle markings simplify finding and sorting of tools
- The Wera Black Point tip offers an exact fit and optimum corrosion protection
- Individually tested

High quality Kraftform Comfort VDE screwdriver. Multi-component Kraftform handle for fast and low-fatigue working. The Wera Black Point tip and a complex hardening process ensure a long service life of the tip, enhanced corrosion protection and an exact fit. Individually tested at 10,000 volts for secure work at the permissible voltage of 1,000 volts. The hexagonal anti-roll feature prevents any bothersome rolling away at the workplace. Handle markings for simplified finding and sorting of the tool.
