EAN:	4013288225269	**Size:**	165x60x9 mm
Part number:	05073201001	**Weight:**	15 g
Article number:	9506 SB 4-in-1 Bit 1	**Country of origin:**	CZ
		Customs tariff number:	82079030

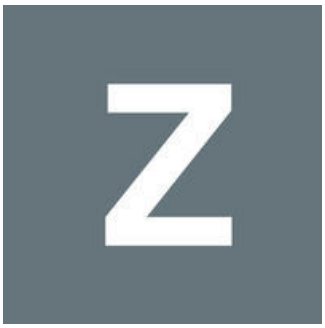
- Innovative, extremely compact quadruple bit - only one bit for four different screw sizes
- Suitable for hexagonal socket screws sizes 3.0; 4.0; 5.0 and 6.0
- Tough for hard materials
- 1/4" hexagon drive (Wera connecting series 1)

Four different screw profiles (hexagonal socket screws sizes 3.0; 4.0; 5.0; 6.0) can be operated with only one bit. Significant weight savings of over 50 %. The operability of the large profiles is made possible by the spring compression of the small tips. The bit has a 1/4" hexagon drive (Wera connection series 1) and can therefore also be used with e.g. bit ratchets and bitholding screwdrivers with Rapidaptor.

The 4-in-1 bit 9506

The 4-in-1 bit 9506 can be used to operate four sizes of hexagonal socket screws (3.0; 4.0; 5.0; 6.0). In order to use the larger profile, continuously press against the spring tension while screwdriving so that the smaller profile is countersunk and the larger profile can be used.

Tough bits



Tough Wera bits prevent the tip from breaking prematurely. Z-bits usually are the bit for universal screwdriving applications.
