

Big Pack Multicolour L-key hexagonal socket screws (metric) / TORX® set 1, 19 pieces

EAN:	4013288238566	Size:	275x145x55 mm
Part number:	05133287001	Weight:	1212 g
Article number:	Big Pack Multicolour Winkelschlüssel Hex-Plus / TORX® Set 1	Country of origin:	CZ
		Customs tariff number:	82079030

- 18-piece L-key set for hexagonal socket screws (metric sizes) and TORX® screws
- 9 L-keys for hexagonal socket screws (metric sizes) and 9 for TORX® screws
- L-keys for hexagonal socket screws with Hex-Plus profile, which prevents rounding of hexagonal socket screws
- Textile box for L-keys, which stands upright when opened
- L-keys made from circular material are gentle on the hand
- The plastic sleeve makes working comfortable even at low temperatures
- All L-keys with Take it easy tool finder: colour coding by size and size stamping
- The ball head on the long arm also allows offset use

18 piece L-key set for hexagonal socket screws (metric sizes) and TORX® screws. In a firm textile box, which pop ups when opened. The L-keys are held securely by elastic loops made of rubber band. The Hex-Plus profile of the L-keys for hexagonal socket screws reduces the damaging notch effect on screw heads due to larger contact surfaces in the screw head. Excellent corrosion protection thanks to the BlackLaser surface. The ball head on the long arm allows swivelling in all directions; sizes TX 8, TX 9 and TX 10 without ball head. The circular material used for the L-keys is gentle on the hand during use. The plastic sleeve makes working comfortable and safe even at low temperatures. The required size is easily accessible due to the colour coding and size markings.

Textile box pops up

We questioned the classic L-key design, since all too often the screw head recess is rounded out, meaning screws can no longer be tightened or loosened - and so the user finds the L-key slipping out of the recess. Wera Hex-Plus tools have a larger contact surface in the screw head. The notching effects are reduced and thereby the deformation of the screws. At the same time, as much as 20 % more torque can be applied.

The textile box pops up when opened and the tools are quickly accessible.

Plastic-coated circular material

L-keys made from circular material fit into the hand better and allow less strenuous work over a longer period. Additionally, the rubber sleeve provides a pleasant grip, particularly in applications at low temperatures. Colour coding and large stamp enable the desired L-key to be easily located. Moreover, the round material keys are more robust, particularly where smaller sizes are concerned.

Hex-Plus

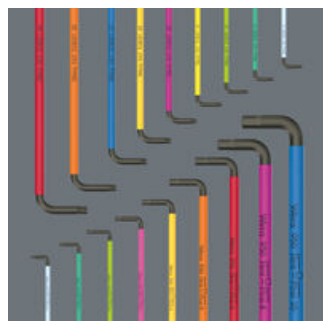

Hexagon screws can endure a problem because the contact surfaces delivering the power from the conventional tool, is transferred to the screw via very small surface areas. The consequence: the screw can become damaged (rounding out). Hex-Plus tools have a greater contact surface that prevents this from happening! At the same time, as much as 20 % more torque can be applied. Good to know: Hex-Plus allows socket head screws to live longer!

Ball tip

The spherical drive profile means that it is possible to swivel the axis of the tool to that of the screw, and therefore enable angled, "around-the-corner" screwdriving jobs.

Take it easy tool finder system

With the Take it easy colour codes and size markings, the required size is found quickly.

Big Pack Multicolour L-key hexagonal socket screws (metric) / TORX® set 1, 19 pieces

Set contents:

950 SPKL L-key Multicolour, metric, 1.5 x 90 mm

	05022600001	1x	1.5 x 90 mm
	05022602001	1x	2 x 101 mm
	05022604001	1x	2.5 x 112 mm
	05022606001	1x	3 x 123 mm
	05022608001	1x	4 x 137 mm
	05022610001	1x	5 x 154 mm
	05022612001	1x	6 x 172 mm
	05022614001	1x	8 x 195 mm
	05022616001	1x	10 x 224 mm

967 SXL TORX® L-key Multicolour, long, TX 8 x 90 mm

	05024481001	1x	TX 8 x 90 mm
	05024482001	1x	TX 9 x 101 mm
	05024483001	1x	TX 10 x 112 mm

967 SPKXL TORX® L-key Multicolour, long, TX 15 x 123 mm

	05024484001	1x	TX 15 x 123 mm
	05024485001	1x	TX 20 x 137 mm
	05024486001	1x	TX 25 x 154 mm
	05024487001	1x	TX 27 x 172 mm
	05024488001	1x	TX 30 x 195 mm
	05024489001	1x	TX 40 x 224 mm

9598 Textile box Big Pack Multicolour L-key Hex-Plus (metric) / TORX® set 1, without tools, 130 x 40 x 260 mm

05136431001	1x	130 x 40 x 260 mm
