

EAN: 4013288227621
Part number: 05136033001
Article number: 9621

Size: 240x240x70 mm
Weight: 972 g
Country of origin: CZ
Customs tariff number: 82054000

- Storage solution to flaunt for all Tool Rebels
- Belt holster for perfect tool organization and instant access to the required tools
- Screwdriver for cross recess screws Phillips and Pozidriv, TORX®, slotted (VDE), and chiseldriver for screwdriving, chiselling, mortising
- Some of the tools come with a ball handle to achieve high axial forces and particularly high torques during manual screwdriving

The tool set for the belt. The tool holster has 5 zones for inserting and accessing the required tools at any time. The holster has a robust construction, is made of tear-resistant material and is also suitable for use in adverse conditions. The included tools can be supplemented or exchanged individually. The holster can be worn on the hips. Ideal for mobile use at different locations. Kraftform Plus handle for comfortable ergonomic screwdriving, avoiding blisters and calluses. Hard handle zones for high working speeds, while soft handle zones guarantee a high torque transfer. Includes some tools with Lasertip: The tips of Wera Lasertip screwdrivers are microscopically roughened with laser beams. This rough surface "bites" into the screw head and unintentional slipping is a thing of the past. Take it easy tool finder with colour coding by profile and size stamping - for quick and easy identification of the required tool.

Including chiseldriver with pound-thru hexagonal blade made of premium bit material which ensures power transmission without loss even at hammer blows. Some of the screwdrivers are equipped with ball handles, which allows a lot of pressure to be transferred while screwdriving. The palm encloses the handle from above, which allows high torques and high axial forces.

Screwdriver sets in belt holster

Can be attached to your belt

The belt pouch is made of robust material and can be attached to the belt.

Kraftform Ball-Grip for high torques

The ergonomically shaped Kraftform Ball-Grip fits perfectly in the hand. Its convex shape allows the transmission of high torque transfer.

Lasertip prevents slipping out

A precisely-focused laser creates a sharp-edged surface structure. Wera Lasertip "bites" itself into the screw head and prevents any slips out of the recess. It is available for screwdrivers for slotted, Phillips and Pozidriv screws.

Take it easy Tool Finder

Screwdrivers with Take it easy tool finder: colour coding according to profile and size stamp.

Wera Chiseldriver

The Wera chiseldriver for screwdriving, chiseling, mortising and slackening stuck screws. With multi-component Kraftform handle for fast and smooth work.

The chiseldriver with integrated impact cap

With its integrated impact cap, the chiseldriver is equipped to increase service life and reduce risk of splintering. Nevertheless, always wear protective goggles!

Set contents:

1850 PH Kraftform Ball-Grip Phillips-head screwdriver, PH 1 x 80 mm

05007905001

1x PH 1 x 80 mm

05007906001

1x PH 2 x 100 mm

1834 Kraftform Ball-Grip Slotted screwdriver - workshop blade, 1 x 6 x 100 mm

05007900001

1x 1 x 6 x 100 mm

932 A Screwdriver for slotted screws, 1 x 5.5 x 100 mm

05018264001

1x 1 x 5.5 x 100 mm

162 i PH VDE Insulated screwdriver for Phillips screws, PH 1 x 80 mm

05006152001

1x PH 1 x 80 mm

05006154001

1x PH 2 x 100 mm

160 i VDE Insulated screwdriver for slotted screws, 0.6 x 3.5 x 100 mm

05006110001¹⁾

1x 0.6 x 3.5 x 100 mm

1) Without Lasertip

9522 Belt holster, empty, 170 x 240 mm

1x 170 x 240 mm
