

EAN:	4013288237491	Size:	405x360x60 mm
Part number:	05150153001	Weight:	2496 g
Article number:	9753	Country of origin:	CZ
		Customs tariff number:	82054000

- Durable foam insert, each tool has its own place; two-coloured, missing tools will quickly be noticed
- One Kraffform Kompakt VDE 817 bitholding screwdriver and 10 blades; individually tested as per IEC 60900
- 1/4" Zyklop ratchet and accessories (sockets, extension, bit adapter, bits)
- Joker 6002 double spanner with practical holding function by a metal plate in the open end
- Joker 6004 S self-setting spanner for bolts and screws of 10-13mm (metric) and 7/16"-1/2" (imperial)
- L-keys (sizes 3 and 4) with hose sleeve, with holding function for hexagonal socket screws, the Hex-Plus profile prevents premature rounding of hexagonal socket screws
- 1 KNIPEX Cobra® High-Tech Water Pump Pliers 87 01 250
- Width x height x depth: without tools 344 x 30 x 392 mm, with tools 344 x 41 x 392 mm

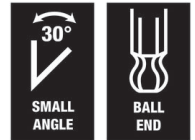

Durable foam insert; two-coloured for quick identification of missing parts; suitable for the Tool Rebel roller cabinets, equipped with one Kraffform Kompakt VDE 817 VDE handle and 10 blades for the following screw profiles: Phillips, Pozidriv, TORX®, hexagonal socket and slotted, one Zyklop Speed ratchet (1/4"), 8 sockets (1/4"), 1 extension (1/4", 50 mm long), one adapter (1/4" square head to 1/4" hexagon) for 1/4" bits, one universal holder for screwdriving machines for 1/4" bits, 16 bits (25 mm long) for the following screw profiles: Phillips, Pozidriv, TORX®, hexagonal socket and slotted; 2 L-keys with holding function for hexagonal socket screws (sizes 3.0 and 4.0), one Joker 6002 double open-end wrench (sizes 17 and 19), one 6004 Joker S self-setting wrench for hexagon screw heads and bolts with wrench sizes 10.0; 11.0; 12.0; 13.0 (metric) or 7/16"; 1/2" (imperial), one KNIPEX Cobra® 87 01 250 high-tech water pump pliers.

Safe storage and quick overview

The tools sit securely in the foam thanks to precise contour cutouts, but are easy to remove. The carefully designed arrangement of the tools ensures space-saving storage and quick access to each tool.

Two-coloured foam insert

After removing the tool the light grey second foam becomes visible and therefore missing tools are quickly identified.

Kraffform Kompakt VDE

Testing the tool for dielectric strength at 10,000 volt gives the user the peace of mind that their tool has been tested for its most important property, insulation. Wera VDE tools are subjected to this test piece by piece which guarantees safe working at up to 1,000 volt.

Zyklop "6 in 1"

1. Fine-tooth ratchet 2. Flex-head ratchet 3. Angle ratchet 4. Quick-release ratchet 5. Power ratchet 6. Screwdriver

Double open-ended wrench

The Joker double open-ended wrench is ideally suited for locking down nuts and bolts.

Joker 6004: automatically and continuously self-setting

With its automatically and continuously gripping parallel jaws the Joker spanner 6004 covers all dimensions in the respective field of application. The tool automatically finds the required size when placed on the bolt or screw, no setting required.

Joker 6004: Ratchet mechanism for quick working

The ratchet feature in the jaw ensures fast and consistent screwdriving without removing the tool.

L-keys with holding function for hexagon socket screws

The clamping of the screw is achieved by a flexible locking ball. The holding function is especially helpful in confined, hard-to-reach spaces, where there is no room for a second hand to secure the screw on the tool.
